

GRAVEN HILL'S SELF BUILDER COMMUNITY

### **Who's Running the Site and What is the Purpose?**

- The website has been created by Dean, owner of plot 37, with help from other self builders at Graven Hill
- The aim is to create a focal point for the growing self build community at Graven Hill, with a private member's area where we can organise, share and socialise
- The site also has a public area with news and updates about the village, along with help and guidance for those looking to start their own self build project
- The site will be 100% focussed on helping self builders at Graven Hill build the best possible house for their hard earned money

### **What Will Be in the Private Member's Area of the Site?**

- A handy map showing the self build plots and other points of interest around the site
- A directory of trades and professionals used by others at Graven Hill
- Additional tools and guidance to make the self build journey as stress free as possible
- You can also join the discussion on the Graven Hill Self Builders [Facebook group here](#)

### **Who Will Be Able to Access the Private Area?**

- The private area of the site is limited to self builders who have reserved a plot at Graven Hill (access will be via a secure login)
